# HELPFUL TIPS

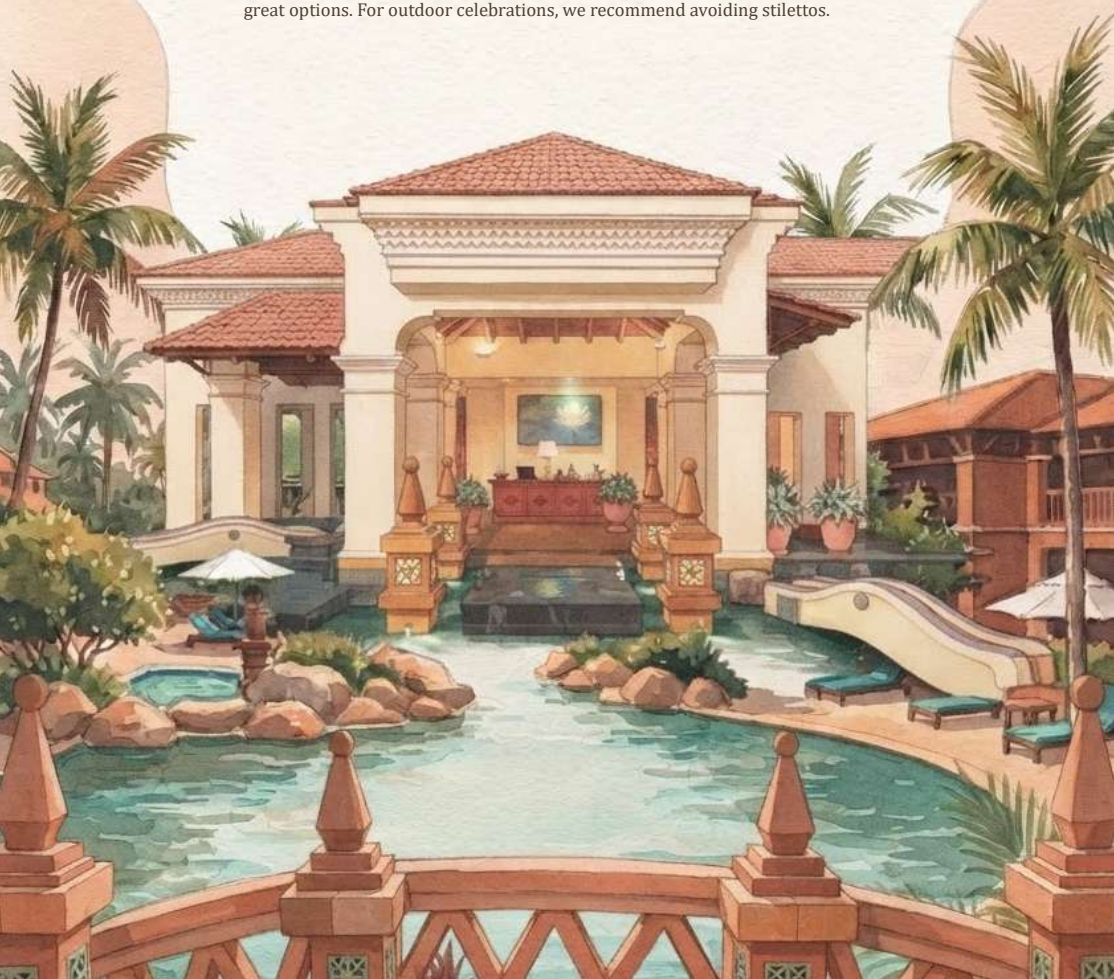

## WEATHER:

Expect warm, sunny days and pleasant evenings. Daytime temperatures typically range from 28–32°C (82–90°F), while evening temperatures range from 20–24°C (68–75°F).

** Don't forget your sunglasses.*

## FOOTWEAR:

Juttis, mojaris, Kolhapuri sandals, flats, kitten heels, and block heels are all great options. For outdoor celebrations, we recommend avoiding stilettos.

## SHOPPING TIPS

- If shopping close to the wedding date, filter for Ready to Wear, In Stock, or Ships Immediately.
- Handloom sarees are often available off the rack and make an excellent option.
- When in doubt, size up. Alterations are usually easier than letting garments out.
- Check what is included with your purchase. Sarees often require a separate blouse and petticoat.
